CAREER OBJECTIVE

With curiosity and perseverance, I am eager to start my career as a Front-End (ReactJS) Intern and applying my skills to real projects. My long-term goal is to grow into a professional developer.

PROJECT EXPERIENCE

STORE PHONE (Personal Project)
2024 – 2024
Developed an e-commerce website for selling mobile phones, allowing users to view product details and manage their shopping cart.

- User features: Registration, login, role-based access, add products to cart
- Admin features: Add, edit, delete products and user accounts, manage orders.
- Technologies: HTML, CSS, JavaScript, Node.js.

CINEMA-HUB (Personal Project)
2025 – 2025
Built an online movie ticket booking website, enabling users to view detailed movie information and screening schedules.

- Developed user interface (UI) and ticket booking functionalities.
- Implemented movie detail viewing and user interaction features.
- Technologies: ReactJS, TypeScript, Axios

MY SKILLS & EXPERTISE

- Frontend Development: HTML5, CSS3, JavaScript, ReactJS, TypeScript
- Backend Development: Java Core
- Database: MySQL, SQL Server, MongoDB
- Tools & Version Control: Visual Studio Code, IntelliJ IDEA, Git/GitHub
- Concepts: Object-Oriented Programming (Java OOP)
